WHY GIFTBACK

Giftback is the leader in matching name-brand products with charitable donations to create high impact gifts to fit the needs of your business. Founded in 2006, Giftback is a minority-owned, small business enterprise.

Using Giftback for your corporate gifting program will:

- Ensure that you give thoughtful gifts that the recipient will remember;
- Extend the value of your gifts without increasing your budget;
- Strengthen client relationships with a gift and a donation to your clients' causes;
- Enable you to contribute to worthy causes and be a good corporate citizen;
- Reduce administrative burden as your dedicated Giftback account manager handles all the logistics of your program.
